

Your child's "home away from home"

Army FCC Online

1. You can view a current list of Rock Island Arsenal Family Child Care (FCC) providers by either calling or visiting the Child, Youth and School Services Central Enrollment office in building 110.
2. You will be asked to supply your name and email address. The staff will enter the information into the system, at which point an email will be sent to the provided address with a password and instructions to access Army FCC Online, either right in the Central Enrollment office, or at home.
3. You can then go to the website www.Armyfcc.com. The homepage will give you general information about Army Family Child Care. You can also select a particular installation from the drop down list, and get information specific to that installation.
4. By using your user name and password, you will be able to view a profile and pictures of each of the providers in the FCC program. Each profile describes detailed information about the provider's biography and background, family, play areas, and program.
5. Your user name and password are valid for 30 days. After 25 days, you will be notified that your password is about to expire, and after 30 days it is no longer valid.
